Forecast for Sunday 29 Nov 2020

Weather: Clear spells overnight and sunny spells during the day but some patchy cloud, mostly likely over Mull and perhaps the Trossachs. Some patchy freezing fog in the glens. Later in the afternoon it will start to cloud over more generally from the west and in the evening this could bring a little light rain.

Chance of cloud free mountain/hill tops above 800m: 80%, falling 40% in the west by dusk then 20% in the evening.

Visibility: Generally good on the hills, falling in the evening.
